To defend against potential liability claims, AREA 47 Betriebs GmbH (the "Controller" for data processing) processes the participant's name and date of birth and, if applicable, the name and contact details of the guardian or an emergency contact. The data will be deleted after the expiration of statutory retention periods and applicable limitation periods. According to the GDPR, the participant has the right to access the personal data concerning them, to rectify, delete, or restrict the processing of the personal data concerning them, as well as the right to object to the processing of the personal data concerning them and the right to data portability. In the case of an alleged violation of data protection regulations, the participant may have the right to lodge a complaint with the data protection authority.
